Mr Narasimhaiyer may at least be considered to be on special duty from 10th Oct 22nd. Subd.

2 The Madras Representative special duty begins on 1.11.22 or the date on which the work is resumed. So the purpose Representative can be expedited will have to be on duty only from the date on which the work is resumed. Mr. Morton being the Arbitrator and the officer in charge of the settlement question he will have to arrange preliminaries & so this date of his special duty will have to be far earlier. Hence

3 There seems to be no ground to change the date of deputation & thus increase the period thereof in the case of our representative only.

D. Srinivasa Iyengar, Esq., B.A.,

K. V. Anantaraman, Esq., B.A.,

Secretary to the Government of H. H. the Maharaja of Mysore, Revenue Department.

Sir,

In enclosing a copy of letter No.83 dated 14-1-1925, received from Mr. R.A. Narasimha Iyengar, the Officer on Special Duty at the South Canara frontier, I have the honor to recommend that since he reports that local conditions are such that he cannot get coolies at the sanctioned rate of Rs.12 per mensem, he may be allowed to employ labour at 10 annas per diem per head. He proposes to employ only 9 men at this rate in place of the 14 now sanctioned and to pay them on nominal rolls on the basis of daily wages, and estimates that the total cost will be about the same -- only some 12 annas more per month.

I have the honor to be,

Sir,

Your most obedient servant,

D. Srinivasa Iyengar

Superintendent.

LSR.

Letter No.83, dated 14-1-25 from Mr. R.A.Narasimha Iyengar, on Special Duty, Mysore South Canara Boundary, to the Superintendent, Mysore Revenue Survey.

I have the honor to enclose herein copies of D.Os dated 26-12-24 and 28-12-24, from the Amildar of Thirthahalli to the effect that coolies cannot be had for less than 12 annas a day and to state that by using his personal influence he was able to reduce the rate to 10 annas a day, so that I have been employing coolies at that rate from the 1st instant, but limitted the number to 9 coolies in place of 4 permanent and 10 temporary coolies sanctioned in G.O.No. I.C.6639-43/Fl.299-22-9 dated 25th April 1924, for my menial staff and survey and other work. The cost of 14 men at Rs.12 per mensem is Rs. 12x14 or Rs.168/-. That for 9 men at 10 annas per man per day is Rs.5-10-0 x 30 or Rs.168-12-0. This involves only a slight increase of 12 annas per month. But in the last month of the season after the field work is finished only 4 permanent coolies will be entertained, so that the whole amount is covered by the sanction. I have been entertaining the men at that rate in anticipation of kind sanction from the 1st instant in order to push through the work and men could not be had for less than 10 annas a day. The survey of India Officer and the Madras Representative are both paying at that rate and in fact the Amildar has used his influence to get the men at that rate as they wanted 12 annas a day. In order to be within the sanctioned amount for this item, I have curtailed the number of men and am getting the survey work as also camp work with only 9 men though at considerable inconvenience. It may not be out of place for me here to point out that each of the Surveyors of the Survey of India are having five permanent Khalasies at Rs.12/- plus a daily batta of as.6/- per day and temporary coolie at five to six per day. I therefore request that you will kindly obtain the sanction of Government for the entertainment of the 9 coolies at 10 annas per day to be paid on nominal roll, as they do not stick for one whole month, but only for a few days not exceeding 15 days at a time, often for less time and have to be paid out of the permanent advance as each batch finishes and goes away, the nominal roll ~~having~~ being attached to the barawards.
